JOHN MAYER

"Waiting On The World To Change"

1. Me and all my friends
   We're all misunderstood
   They say we stand for nothing and
   There's no way we ever could

2. Now we see everything that's going wrong
   With the world and those who lead it
   We just feel like we don't have the means
   To rise above and beat it

3. So we keep waiting
   Waiting on the world to change
   We keep on waiting
   Waiting on the world to change

4. It's hard to beat the system
   When we're standing at a distance
   So we keep waiting
   Waiting on the world to change

5. Now if we had the power
   To bring our neighbors home from war
   They would have never missed a Christmas
   No more ribbons on their door

6. And when you trust your television
   What you get is what you got
   Cause when they own the information, oh
   They can bend it all they want

   That's why we're waiting
   Waiting on the world to change
   We keep on waiting
   Waiting on the world to change

7. It's not that we don't care,
   We just know that the fight ain't fair
   So we keep on waiting
   Waiting on the world to change

   And we're still waiting
   Waiting on the world to change
   We keep on waiting waiting on the world to change

8. One day our generation
   Is gonna rule the population
   So we keep on waiting
   Waiting on the world to change

   We keep on waiting
   Waiting on the world to change
